

Celebrate the Louisiana Doctors Who Rule

Do you know an outstanding Louisiana doctor? They may be your own doctor, a loved one's doctor, a colleague or even a friend. Whoever they are, one thing is certain—they're making an impact on healthcare and deserve the royal treatment.

This year, celebrate all they do by nominating them for Louisiana's Favorite Doctor. One lucky nominee will be selected this spring—and enjoy a grand surprise at their practice courtesy of LHA Trust Funds.
